

**2018/2019 Committee Chairman.** We have completed filling all the committee chairman positions for this year and have an outstanding field of chairmen. I want to thank all the members who have volunteered to take on these important positions. If any of these committees interest you, please contact the chairman and talk to him or her about getting involved. Participating in these committees and contributing to our community is fun, rewarding, and what being an Elk is all about.
