April has been busy with appointing Committee Chairpersons. It's never too early to start planning for activities related to our Benevolence for the local community. The following have accepted the Chairman positions of Committee's or management positions for this fiscal year:

These committee chairs all require volunteers to successfully complete their programs. Please contact any of the above to offer your assistance, no matter how much or little time you can provide. The SUCCESS of these programs depends on YOU as ELK or LADY ELK VOLUNTEERS!! There contact information can be found in the registry located in the lounge. Or contact me and I will get you the appropriate information.

We still need a designated chairman for the Hoop Shoot. Supporting personnel is already in place.

The Leading Knight is the Officer in Charge of the kitchen, The Loyal Knight is the Officer in Charge of the bar and the Lecturing Knight is the Officer in Charge of the building maintenance and grounds upkeep. Please contact them if you see something that needs attention.

We are always looking for ideas for bolstering ELK participation in our lodge activities, whether just for fun or fundraising ideas that are fun also. If you have some ideas please contact me and we will see if we can make it happen! Let's all plan for making your lodge the best it can be!

Spring is here and summer is fast approaching. As your friends and neighbors come out of there winter hibernation bring them up to the lodge and show them what we have to offer. Be sure to check your email for upcoming activities. If you are not getting emails please contact Sue Schneider to make sure we have your correct email address.

Mike Wright, Exalter Ruler

Elks Care – Elks Share

On **Tuesday, May 3, at 6:30 pm at the American Legion**, there will be representatives from the Veterans Home in Warrensburg to explain the new rules for all volunteers and visitors to the home. Our Lodge has had activities there before (pre-Covid) and may be able to resume helping disabled Veterans. All are welcome to this presentation, especially anyone who can volunteer to help in our Vets activities.
